★ COMMANDER'S MESSAGE ★

Fellow members,

As we begin another season at William H. Jutras Post 43, I want to take a moment to thank each of you for your continued dedication and support of our Post. Whether you've attended an event, volunteered your time, donated to a cause, or simply helped spread the word throughout our community, your involvement makes a real difference. Our success is built on the commitment of members like you, and I am truly grateful for everything you do.

I would also like to extend my heartfelt congratulations to Cathy Perra on her installation as the American Legion Auxiliary Department of New Hampshire President. This is a tremendous honor and a reflection of her unwavering commitment to veterans, their families, and the mission of the American Legion Auxiliary. We are incredibly proud to have her representing our Post and community at the state level, and we wish her every success during her year of service.

As we look ahead to the coming months, I encourage everyone to stay involved. Attend our meetings, participate in our breakfasts, dinners, meat raffles, and community events, and invite friends and family to join us. Every event strengthens our Post, supports our programs, and allows us to continue serving veterans and our local community.

Thank you for being part of the Post 43 family. Together, we will continue to honor those who have served, support those who are serving, and ensure that our Post remains a welcoming place for veterans and our community for years to come.

For God and Country,

Walter Downing
Post Commander

★ TAPS ★

We honor and remember our fellow veterans who have answered their final call.

★ AUXILIARY UNIT 43 ★

This fall, there are many ways to make a difference through the American Legion Auxiliary Unit 43.

Throughout August, we're collecting new school supplies to help local students start the school year with the tools they need to succeed.

We also invite you to support our Auxiliary Meat Raffles in September, October, and November—every ticket purchased helps fund programs that benefit veterans, their families, and our community.

Finally, we're looking for volunteers to help make our Trunk or Treat on October 31 a fun and safe event for local families. Whether you donate supplies, decorate a vehicle, hand out candy, or lend a helping hand, your support makes a lasting impact.

Thank you for helping us continue to serve both veterans and our community.
